Dear Mr. Devine:

This letter is in final response to your Freedom of Information Act (FOIA) request received at Naval Surface Warfare Center, (NSWC) Crane Division on May 14, 2017. Your request indicated that you are seeking, "Any and all documents pertaining to the aforementioned rifle (M1 Garand) for marksmanship proficiency. In other words, as a Navy Award Rifle." Also, as mentioned in your voicemail dated July 6, 2017, you indicated that you would accept clearly releasable information. Your request is assigned local Case File Number 2017-F-025.

A thorough search was conducted and one (1) responsive document was located and is being released to you. The document was redacted consistent with one applicable FOIA exemption at 5 U.S.C. § 552(b); exemption (b)(6), which exempts personal information from release which, if released would result in a clearly unwarranted invasion of personal privacy. Each redaction has been annotated to show the applicable FOIA exemption.

As it was received, the FOIA request stated that you agreed to pay FOIA processing fees of up to \$100.00. You were assigned into the "Other" fee category. In this fee category, you were charged for search (after the first two hours). The search time was less than two hours and no fees were incurred for duplication; the fee for processing your request totals \$0.00.

If you have any questions concerning this response, you may contact Ms. Sara A. Gibson, at (812) 854-5297, or by email at [sara.gibson@navy.mil](mailto:sara.gibson@navy.mil).

Sincerely,

SARA A. GIBSON
